Superintendent Gainesville ISD

Gainesville is a city in and the county seat of Cooke County, Texas in the Texoma region. Gainesville ISD is a 4A public school serving approximately 3,050 students at five campuses and Head Start. In 2016-2017, all GISD campuses achieved Met Standard, the highest rating schools can earn on the state's accountability system, and in addition, the district as a whole exceeded target in all four indexes. In addition, the district received 6 individual campus distinctions. Gainesville Independent School District will continue to strive for student excellence to consistently increase index scores at every campus.

The Board of Trustees has established three (3) goals for 2017 to 2021.

Goal I: Academic Excellence

Aspire to ensure that all students and all subpopulations improve the academic performance each year so they will graduate career ready, college ready, and/or military ready.

Goal II: Competitive Salaries

Annually review and analyze teacher and staff salaries and make adjustments as financial resources will allow to compete with comparable schools in Region 11.

Goal III: STEM Program Development

Implement an executable plan to develop effective STEM programs that will perpetually evolve to ensure GISD student graduate college ready, and/or military ready.

Gainesville ISD is a fiscally responsible district, with a Superior rating on the School FIRST rating system.

Qualifications: Master degree with Texas Superintendent certification is required for this position. Successful experience as a Texas school Superintendent is preferred.

Salary: Competitive and negotiable
