## Student Dress Code

### 2021 -2022

#### Dress and Grooming (All Grade Levels)

The district's dress code is established to teach grooming and hygiene, prevent disruption, and minimize safety hazards. Students and parents may determine a student's personal dress and grooming standards, provided that they comply with the outlined dress code expectations set forth by the GISD administration.

The purpose of the recommended dress code policy is to foster pride within the GISD student body, staff and community that will result in the provision of an educational environment that encourages students to be about "the business of school", to build student self-esteem, bridge socioeconomic differences between students and encourage positive behavior, thereby promoting school safety and improving the academic learning environment.

Students shall come to school looking clean, neat and ready to learn. The dress and grooming of students conveys an image of the schools and students, influencing how others respond to and judge the Gainesville ISD and its students, as well as contributing to the school climate to which students respond. The District prohibits pictures, emblems or writings on materials or clothing that are lewd, offensive, vulgar, and immodest or promote or refer to alcoholic beverages, drugs, promote acts of violence, guns, weapons, death, dismemberment, disfigurement, Gang activity or any other offensive items prohibited under GISD Board Policy FNCF (LOCAL).

It is impossible to list every possibility of dress and grooming. Campus administrators will have complete and final judgment on all matters concerning the interpretation of the district dress code policy. **Matters concerning appearance and dress not specifically addressed in the policy shall be within the discretion of the administration.** If the principal determines that a student's grooming or clothing violates the school's dress code, the student will be given an opportunity to self-correct the problem at school. If not corrected, the student will be assigned to in-school suspension for the remainder of the day or until a parent or designee brings an acceptable change of clothing to the school. Repeated offenses may result in more serious disciplinary action in accordance with the Student Code of Conduct.
