

COVID Quick Reference Guide

2022-2023

Updated August 3, 2022

Student or Staff with COVID Symptoms

- Stay home
- Students notify the school nurse; Staff notify your campus administrator
- Call the GISD offices at 940.665.4362 to schedule COVID testing (free)

Student or Staff tests positive

- Isolation at home for 5 days from the date of the positive test and voluntarily wear a mask for an additional 5 days upon return to school. Failure to voluntarily wear a mask for 5 days upon return will result in the isolation to continue until full 10-day period is met.
- Conditions for return after the 5-day isolation requires the person to be fever free for 24 hours without use of fever reducing medication, new symptoms have not developed, and original symptoms have reduced or lessened over time.

Student or Staff in contact with someone who has tested positive, but not residing in their home

Students or Staff who are in contact with a positive person (not residing in their home) will not be required to quarantine if they remain symptom free. If symptoms develop, they will be required to test prior to reporting to school.

*GISD will have testing sites open and available Monday- Friday.

Student or Staff contact with a positive person residing in their home

Vaccinated Students or Staff who are in contact with a positive person residing in their home must meet the following criteria to return to school:

- Student or Staff member must be symptom free and fever free
- May attend school if voluntarily wear a mask for 10 days from the positive test date; Failure to wear a mask will require quarantine for 10 days.
- If symptoms develop, testing is required, and they will have to follow protocols based on results of test.

Nonvaccinated Students or Staff who are in contact with a positive person residing in their home must meet the following criteria:

- Student or Staff member must quarantine at home for 5 days from the positive test date.
- Day 6 you will have to test utilizing GISD testing site.
 - If test is negative on day six, you may return to school and must voluntarily wear a mask for day 6-10.
 - If symptoms develop during the 6-10-day period, stay home and schedule Covid testing at a GISD site.
 - If test is positive you will need to follow protocol for testing positive.
